

# Your **One-Stop** Volunteer Management Portal

## Web and Mobile App Access

Volunteers can access volunteering opportunities anywhere and anytime through web as well as mobile app. It also allows real-time check-in/out during events for ease of monitoring and reporting.

## Database Management

User-friendly platform which requires no complex installation and backup information at regular intervals. Youthbank carefully protects the privacy of all the information stored and ensure it's highly confidential.

## Tracking System

Youthbank is able to retain information for each of your volunteers, such as event attendance, volunteering hours as well as past history. Tracking efficiency and recognition becomes easy with the use of Youthbank.

## Built-in Email and SMS Feature

In need of sending personalised reminders to participants? In just a few clicks, Youthbank allows you to send notifications as well as to communicate with your volunteers through your preferred method, such as email or text message.

## Easy Reporting

Youthbank comes with built-in reports and simple-to-use interface. Youthbank is always ready to help you create your reports on your activities in a easy, fast and accurate manner.
